About Our Summer Camps Program

DDLC Academy and Sylvan Learning Camps are a great way to introduce your child to new and fun experiences in the worlds of STEM (Science-Technology-Engineering-Math), art, sports, and English! Whether your child is interested in learning how robots are built or designing his or her own video game, our STEM Science, Robotics, Coding and Engineering programs are designed to be fun and interactive. We don't just offer programming for your future engineers and coders, but for your future artists and athletes as well! Our arts and crafts activities are fun and stimulating for all age groups, and our sports and games are taught by professional trainers in top quality facilities for your child's comfort and safety. All Sylvan camps are in English, giving your children beneficial exposure and practice in their English skills. Your child will thrive and adore our diverse range of activities!

Dates & Themes of Our Camps

23-27 June	Animals
30 June- 4 July	Happy Traveler
7-11 July	Saving The Environment
14-18 July	Young Inventors
21-25 July	Imagination Station
28 July -1 August	Quirky Creations
4-8 August	-
11-15 August	What A Wonderful World

Each week, there are different educational themes designed to expand your child's learning.

Our Robotics, Coding, Engineering, Arts and Crafts programs are all based on these themes. This helps our students make cognitive connections between each subject, which enforces their learning in the long run. Our weekly themes are fun and educational, each fitting common interests among children of various ages, such as saving the environment, traveling, animals, and cities.

Notes

- Sylvan STEM teachers are native English speaking teachers and are all trained by Sylvan U.S.A.
- Our camp program and content is different each week, therefore children can attend from 1 week to 8 weeks.
- Our CERTIFIED program students receive a certificate from Sylvan U.S.A at the end of minimum 2 weeks and must complete at least 6 days. One week students do not receive a certificate.
- The prices include all hours and number of days that are indicated in the program and are the total price.
- The prices may vary due to the increase of the Dollar exchange rate and Sylvan has the right to change the prices when deemed necessary.
- Groups will be seperated depending on age groups (4.5-6 yrs, 7-9 yrs). Our classes are limited to 20 students.
- Prices do NOT include 20% VAT. Payments can be made via cash, wire transfer and credit cards.

Please kindly remit payment to:
